ELITE ELEVATION

Introduction

Elite Elevation will be the suppliers of Scaffolding and Shuttering material on hire basis in India. Scaffolding and Shuttering material is available on rent and hire for construction of residential, commercial and industrial sites. Construction material for hire includes Props, Span, Scaffolding Pipes, Cuplocks, Centering Plates, Couplers, Joint Pins, Acrospan, Adjustable jack & all types of material which is required for Scaffolding.

About us

Scaffolding, also called scaffold or staging, is a temporary structure used to support a work crew and materials to aid in the construction, maintenance and repair of buildings, bridges and all other man-made structures.

You can call scaffolding a skeleton to the construction industry. Though the actual construction is not built around the scaffolding, it works as a catalyst in the making of a monument. Be it a place of worship or a place of commerce, big in size or small in stature, every construction needs a strong scaffolding

Our Aim

To provide prompt and efficient services without compromising on the quality of material & Total customer's satisfaction.
